THE 2011 AHS ARIZONA CHAPTER VERTICAL FLIGHT ENGINEERING SCHOLARSHIP

The Arizona Chapter of the American Helicopter Society (AHS) is pleased to announce the competition for scholarship awards to students who demonstrate an interest in pursuing engineering careers in the fixed wing, rotorcraft or VTOL (vertical take-off/landing) aircraft industry.

The scholarships are merit-based and can be awarded once as an Undergraduate, and once as a Graduate student. Applicants must be in school through the full academic year following receipt of the scholarship. The value of the scholarships may range from $1,500 to $3,000 depending upon endowment earnings. The recipients will also receive a 1-year membership in the AHS and an engraved plaque.

To be eligible for a scholarship, you must

1. Be a full-time student at an accredited school of engineering in the state of Arizona ("School") and be in School through the full academic year (Fall 2011 - Spring 2012). Have a minimum of 30 college credits transferred to or earned at the School.
2. Complete the entire Application for Scholarship (Sections I, II & III).
3. Provide the following Supporting Information: a resume, a reference letter (academic endorsement) from a professor or dean at your School, and a grade transcript from your School (including the most recent set of grades issued). These items need not be submitted with the application but must meet the deadline. (An official grade transcript from the School will be required before scholarship funds can be received.)
4. Submit the Application for Scholarship and Supporting Information to:

   Ms. Pam Howard
   The Boeing Company
   Mail Stop M530-B111
   5000 E. McDowell Rd.
   Mesa, AZ 85215-9797

   Phone: 480-891-5475
   Email: pamela.s.howard@boeing.com
5. The Application and Supporting Information must be submitted by **October 10, 2011**. Postmarks will govern timeliness.

Other information

1. The applicant need not be a member of the AHS
2. Applications will be reviewed by the Scholarship Committee. The Chapter intends to award at least one scholarship annually, subject to funding, unless there are no qualified applicants.
3. Scholarship recipients will be notified by the Chapter by November 30th.
4. You may request a copy of the application from Ms Howard via email or download it from www.vtol.org (under menu item: Vertical Flight Foundation) or from www.ahsaz.org.

APPLICATION FOR SCHOLARSHIP
SECTION I

For Office Use Only
Log No. _____

Name:_____

Present Address: _____

_____

Permanent Address: _____

_____

Present Phone No.: _____ Permanent Phone No.: _____

E-mail: _____

Please list any job experience, awards, scholarships, leadership experience, membership in professional societies/associations, extra-curricular activities, or publications in your resume.

I hereby certify that the information contained in this Application for Scholarship is true and correct and that I have made arrangements for submission of my official grade transcript and an academic endorsement by a dean or professor affiliated with my school.

Signature: _____Date: _____

Section II – Education

Please list all colleges/universities attended, starting with the most recent first (i.e., the school you currently attend should appear on line 1)

College/Location	Enrollment Date	Expected Graduation Date	Full-time/ Part time	Cum GPA	Degree Program (BS, MS, PhD)	Academic Concentration
1						
2						
3						
4						

a. What level of study will you be pursuing in the fall of this year? ☐ ☐ ☐
B.S M.S. Ph.D.

b. What is your school's grading system? A= __

c. If the cumulative GPA you list for the school you currently attend covers one year or less of academic work, you must submit two transcripts, one for the school you currently attend and one for the school you previously attended.

d. What is your current GPA (present semester/quarter): From _____ to _____ GPA_____

e. Will you be a full time student for the entire forthcoming year? _____

f. If the scholarship is to be used at a school other than the one you currently attend (line 1 above), or if the scholarship is to be used for an advanced degree program at the same school, please complete the table below.

College/Location	Enrollment Date	Expected Graduation Date	Full-time/ Part time	Cum GPA	Degree Program (BS, MS, PhD)	Academic Concentration
1						
2						

Section III – Narrative

Please provide a narrative of the following items: (1) your past and future academic interests (including your reasons for selecting the school at which the scholarship will be used, as well as your reasons for the specific curriculum), (2) your future career interest in the fixed wing, rotorcraft or VTOL engineering field, (3) past work/research experience related to fixed wing, rotorcraft or VTOL aircraft, and (4) other reasons for consideration. You may use an additional sheet of paper if needed (not to exceed 2 pages total). Please type your response or print legibly.
