

## Lifetime Members

In 1994 the Society established a Lifetime Member category. The distinction of becoming a lifetime member of the Society was only offered to those faithful individuals who are members of the Gold Circle Club and have been members for at least 25 consecutive years. We were overwhelmed by the number of members who wanted to be included in this membership category. The AHS is proud to recognize its lifetime members, listed below alphabetically, each of who receive a lifetime member pin and a special decal to apply to your membership card.
