

**AHS International Redstone Chapter  
Rotorcraft Airworthiness and HUMS Technical Meeting  
Feb. 21-22, 2018 – Huntsville, Alabama  
SPONSORSHIP FORM**

The AHS Redstone Chapter requests your support for the upcoming Rotorcraft Airworthiness and HUMS Technical Meeting.

The Chapter will host the meeting at the **Dynetics Solutions Complex in Huntsville, Alabama, on February 21-22, 2018**. The meeting is expected to bring in over 100 attendees from industry, academia, and government.

There are **two sponsorship levels** available:

**\$500 Sponsorship Level** will give recognition to your organization by prominently displaying your logo in the registration and break areas, a “thank you” flyer included in each attendee registration packet, as well as the large display screen between presentations. In addition, all meeting attendees from your company will receive a sponsorship ribbon on their name badge.

**\$750 Sponsorship Level** includes everything from the \$500 level, plus a 6’ table for your table top display at the Technical Meeting. We do have space for 4 table top exhibits. If you are interested in an exhibit, please let Laura know as soon as possible.

**Sponsorship checks can be made payable to the AHS Redstone Chapter and sent to:**
