You are cordially invited to the

American Helicopter Society
Aberdeen Chapter Meeting

Featuring a Presentation by the University of Maryland
AHS Student Design Competition 1st Place Team

The AHS Aberdeen chapter is having its next meeting on Friday, January 27th at 1pm at Aberdeen Proving Ground building 4503. All in the rotorcraft communities from the DC, MD, VA, DE, PA, NJ areas are invited to attend. There is no fee to attend and refreshments will be provided. Please RSVP @ aberdeen@vtol.org

Officer elections will be held following the presentation as well as discussions of future chapter activities. All interested in volunteering or proposing ideas are invited.

The invited speaker for this event is Lauren Trollinger, graduate student at the University of Maryland, College Park’s Alfred Gessow Rotorcraft Center. She will be presenting UMD’s winning entry for the 2016 AHS Student Design Competition.
