

ASSIGNMENT OF COPYRIGHT OWNERSHIP The Vertical Flight Society

TVF 2025: 11th Biennial Autonomous VTOL Technical Meeting

VFS requires copyright permission. This:

- Gives VFS copyrights and permission to publish your paper.
- Protects the author from unauthorized use of your paper.
- **The author also retains copyright of the paper** — refer to the **bolded section** of the copyright form on the next page.

Copyright Summary

- The Assignment of Copyright Ownership is part of the final paper upload process and must be accepted.
- Alternatively, you can email the completed and signed form directly to Julie Gibbs at jmgibbs@vtol.org.
- In the case of multiple authors, only the main author is required to accept the release.
- If you are a U.S. government employee, you may still accept the release form because you are only signing *to the extent transferable* — *appropriate language is included in the copyright form*.
- VFS HQ must have a copyright record before your article can be published.

Copyright Statements

Below are the VFS standard copyright statements. One must appear at the bottom left of the first page of your final paper. Refer to the final paper template for detailed formatting information.

- *Presented at the Vertical Flight Society's 11th Biennial Autonomous VTOL Meeting, Phoenix, AZ, Feb. 4-6, 2025. Copyright © 2025 by the Vertical Flight Society. All rights reserved.*
- Government employees may use the following copyright statement:
Presented at the Vertical Flight Society's 11th Biennial Autonomous VTOL Meeting, Phoenix, AZ, Feb. 4-6, 2025. This is a work of the U.S. Government and is not subject to copyright protection in the U.S.

ASSIGNMENT OF COPYRIGHT OWNERSHIP
VFS — *The Vertical Flight Society*

11th Autonomous VTOL Technical Meeting
February 4-6, 2025
Phoenix, AZ

I, _____, (hereinafter, “the author”) as author(s) (or employer, in the case of work made for hire) of the article entitled: _____

_____ (hereinafter “the article”)

hereby grant and assign to the Vertical Flight Society (hereinafter, “the publisher”) all rights of copyright ownership now and hereafter protected in the article **(for U.S. Government employees, to the extent transferable)** effective if and when the article is accepted for publication in the *Vertical Flight Society’s 11th Autonomous VTOL Technical Meeting Proceedings*, including, but not limited to, derivation rights, the right to reproduce and distribute the article as part of the issue, and the right to grant or refuse permission to third parties to republish all or part of the article.

Provided, however, that the right to grant or refuse permission to third parties to republish all or part of this article (subject to giving proper credit including the copyright notice) shall also be held by the author.

And further provided, however, that the author reserves the right as author or editor to republish or use all or part of this article in future works, but not limited to lectures, press releases, reviews, or textbooks.
