The Hampton Roads Chapter of the American Helicopter Society invites members and guests to attend the

2012 AHS Christmas Social and Awards Ceremony

The Hampton Roads AHS Christmas Social is held each year during this festive time to support needy military families, and to recognize the achievements of our local engineers through the AHS-HRC Engineer of the Year and Young Engineer of the Year award presentations. The chapter donates presents for the holiday to soldiers families. Please come enjoy time with your fellow chapter members, and donate to a good cause!

This year, we will sponsor at least 5 families, 11 children total. A list of clothing sizes and gift needs for the children will be available in the near future. The list of gifts will be located online at http://www.ahs-hrc.org/.
