Call for Presentations
Rotorcraft Propulsion Specialists’ Meeting
October 27-29, 2015
Fort Magruder Hotel and Conference Center
Williamsburg, Virginia

American Helicopter Society International
Sponsored by the AHS Southeast Region
Hampton Roads Chapter

Overview: The AHS Southeast Region, the Hampton Roads Chapter of AHS International is soliciting presentations for the International Specialists’ Meeting on Rotorcraft Propulsion to be held October 27-29, 2015.

The theme of the conference is “Innovative Propulsion Technologies Enabling Affordable Solutions for Next Generation Rotorcraft.” The meeting will consist of unclassified, unrestricted meetings held at the Fort Magruder Hotel and Conference Center, Williamsburg, Virginia. The meeting will cover present research and development goals and accomplishments as well as futuristic ideas in rotorcraft propulsion for both manned and unmanned systems.

Technical sessions are as follows: Session I – Propulsion Strategic Planning (Government Perspective); Session 2 – Propulsion Strategic Planning (Industry Perspective); Session 3 – Engine Technologies; Session 4 – Drives Systems Technologies; and Session 5 – Sustainment Technologies. Theme-related military and industry exhibits of new hardware and equipment will also be displayed. The technical sessions will be all day October 27 and 28, and a half day on October 29. If interested in presenting in any of the technical sessions, contact the Assistant Technical Chairman by August 31, 2015.

Final Presentations: Format for presentations will be in Microsoft Power Point or Adobe Acrobat. Final electronic copies for accepted presentations are due October 16, 2015. Presenters, please include a brief autobiography with your presentation. Presentations will be made available to attendees upon request.

Submissions: Final presentations may be electronically submitted on SAFE site https://safe.amrdec.army.mil/SAFE/ or mailed on a CD-ROM to the Assistant Technical Chairman.
