American Helicopter Society
South Florida Chapter
Invites you to our
4th Annual Chapter Dinner Banquet

“Early European Developments in Helicopter Technology”

Dr. J. Gordon Leishman is an internationally-recognized specialist in low-speed aerodynamics, rotorcraft aerodynamics and wind turbines. Dr. Leishman was an Aerodynamicist at Westland Helicopters from 1983 to 1986, joining the faculty at the University of Maryland in late 1986, becoming Full Professor in 2000, serving as the Minta Martin Professor of Engineering from 2004 to 2014. He is currently a professor at Embry Riddle University. His text book, “Principles of Helicopter Aerodynamics”, has been widely adopted as a course text for colleges and universities both in the USA and worldwide.
