

# American Helicopter Society South Florida Chapter

Invites you for a presentation of:

## ***Good 'nuff for Flugtag Work***

by Sikorsky Aircraft Flight Test Engineer

**Daniel Bazzani & the Flugtag crew**

Wednesday, November 12<sup>th</sup>

A group of Sikorsky flight test engineers competed in the Miami Red Bull Flugtag, a wacky competition in which teams must build and fly human powered flying machines for which they are judged on creativity, showmanship, and glide distance.

This presentation will include a discussion of the concepts, design and build of the contraptions. The story illustrates the challenges the team faced and overcame in order to claim two consecutive victories.
