"From the Apollo Program to the Shuttle"
Images and history of the journey to space through the decades.

Richard Kupczyk
Launch Pad Foreman (Retired)
Northrop Grumman

After serving in the U.S. Navy, Richard began a long and exciting career in aerospace at Grumman Aerospace (now Northrop Grumman). One of the highlights of his career was serving as the Launch Complex 39 Pad A & B foreman: there he was in charge of all Lunar Module activities and spacecraft launch preparation. His presentation will share stories, images, and lessons learned during his 35+ years in the industry.
