

American Helicopter Society Southwest Chapter presents...

Mitch Snyder

President & CEO, Bell Helicopter, Textron, Inc.

Pushing the Limits of Vertical Flight

April 14, 2016

Mr. Mitch Snyder was named Bell Helicopter's President and CEO in October 2015. Mr. Snyder has more than 30 years experience in the aerospace and defense industry. An engineer at heart, Mitch received his degree in Electrical Engineering from Kansas State University, where he is an Alumni Fellow for the KSU College of Engineering.

Mitch will discuss the rotorcraft industry today and the future direction we need to go in order to expand the limits of: flight, safety, design, and beyond.
