

American Helicopter Society Southwest Chapter presents...

Jessie Kearby and Dwayne Williams

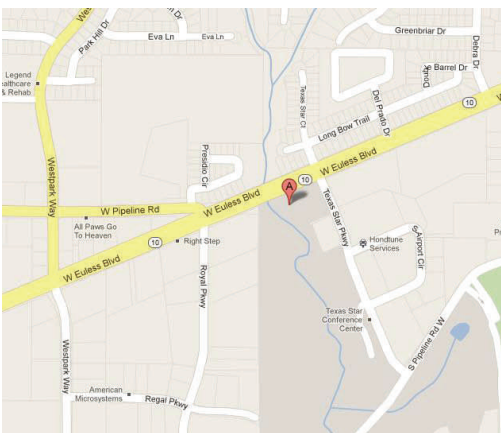

October 18, 2012

State of the Art Night Vision Sys for Commercial Helicopters

The SW Chapter of AHS invite you to join us for a meeting on October 18th at the Texas Star.

The program will feature Dwayne Williams, Chief Flight Test Pilot and Jessie Kearby, Director of Engineering and Certification for Aero Dynamix; bringing us the Pilot, Customer and Certification perspective for Night Vision Systems. Dwayne obtained his Army Aviator Wings in '66 flying Hueys and instructing on TH-55. His career continued with aviation flying Commercially for PHI and eventually working for Bell where he retired as Chief Pilot in 2005. With a continued passion for flying he now serves as Chief Flight Test Pilot for Aero Dynamix. Mr. Kearby has been with Aero Dynamix since 2006 and has participated in 20 FAA STC and 4 EASA STC for Night Vision Systems. Jessie is a regarded expert in the industry for Night Vision being an SME for Transport Canada and an FAA Consultant DER.
