ABERDEEN PROVING GROUND is the Army’s oldest active proving ground. It was established on October 20, 1917, six months after the United States entered World War I. APG remains one of the Army’s most active and diversified installations. Situated at the head of the Chesapeake Bay and bordered by the Gunpowder River, APG is surrounded by some of the best natural resources that Maryland has to offer. Located along the I-95 corridor, APG is approximately 74 miles driving distance to Philadelphia, 71 miles to Washington, DC and 32 miles to Baltimore.

DIRECTIONS TO APG MAIN POST

From Baltimore:
• I-95 North to Exit 80 (Riverside/Churchville).
• MD 543 South to U.S. 40 East.
• MD 715 to the APG Visitor Center.

From Delaware:
• I-95 South to Exit 85.
• Left onto MD 22, then right (follow U.S. 40 signage) onto U.S. 40 West, 2 miles to MD 715 to the APG Visitor Center.

From BWI Airport:
• I–195 West.
• Exit 2A, MD 295 North (Baltimore-Washington Parkway) towards I-695/Baltimore.
• Take the I-895 Harbor Tunnel exit.
• I-895 Harbor Tunnel merges with I-95 North.
• I-95 North to Exit 80 (Riverside/Churchville).
• MD 543 South to U.S. 40 East.
• MD 715 to the APG Visitor Center.

Upon Entrance:
• Visitors WITHOUT a Government ID MUST enter APG using the MD 715 Maryland Gate. These visitors will need to sign in each day at the VISITOR CENTER, located off of Maryland Blvd. All visitors in the vehicle must show one form of government issued identification (e.g., driver’s license, passport). Vehicle registration and proof of insurance is also required. They must then backtrack to Maryland Blvd. to continue towards the gate.
• Visitors WITHOUT a Government ID in the same vehicle as a visitor WITH a Government ID can enter at either gate.
• Observe the speed limit.

Citizenship:
Only U.S. citizens are permitted area access without Foreign Disclosure approval (minimum of two weeks notice required for processing). Dual citizens are considered foreign nationals.

Portable Electronic Device Use is Prohibited:
• Laptops
• Smart Phones/Cell Phones
• Smart Watches
• Cameras/Video Recorders
• Audio Recording Devices
• Two-way Radios
• iPods
• Thumb Drives
• Bluetooth Devices
• Peripheral Devices
• All Wireless Devices
